HHHS Petiquette

Welcome to the HHHS Petiquette Training Class

Thank you for considering our Petiquette Training class for improving your relationship with your dog. This class will provide you with the tools to assist you in training your dog.

This class will focus on the following ways to improve your relationship with your dog and their behavior.

- **Exercise:**
 - Both **physical exercise** and **mental exercise**
- **One-on-One Interaction:**
- **Teacher:** providing appropriate guidance
- **Supervision:** providing safe environment
- **Positive Training**

Things you will learn at Petiquette:

- Basic training tips and dog socialization techniques
- Loose leash walking, “Sit”, “Watch Me”, and “Settle”
- “Wait”, “Take It”, and “Down”
- Dog Agility
- “Come” and “Leave It”
- Door manners and “Stay”

Meet the HHHS Petiquette Trainers

Margaret Price, HHHS Director of Training and Education

Margaret has been employed by HHHS since 2000. Margaret’s father was a veterinarian and this is where she got her interest in dogs. She started training dogs when she was in grade school and has been helping people train their dogs for over twenty years. Margaret also holds a Master’s of Science in Behavior Disorder from Emporia State University.

Currently, Margaret leads the HHHS Blue Ribbon program, training shelter dogs at the Topeka Women’s Correctional Facility while also developing training courses for the public. Margaret is certified in SAFERS which is a program that assesses the temperament and behavior of dogs. She currently utilizes these skills to assess dogs at HHHS.

Margaret has six dogs: Hailes, Border Collie; Sneakers, Papillion mix; Jake, Lab mix; Anna-belle, Collie; Parker, Pomeranian; and Aspen, Australian Shepherd. Five of her six dogs came from HHHS.

Margaret is excited to train you and your pet so you have a long, happy life together.

Becky Wessel, Lead Petiquette Trainer

Becky has been an HHHS volunteer since 2006. Becky’s passion for dog training began at an early age.

Her father had trained dogs in Vietnam and passed along these training skills to his young daughter. With the enrollment of her family pet in the local 4-H fair for obedience, Becky began her career in training at a very youthful age.

Becky currently has five dogs: Brownie, Pug/Corgi mix; Peanut, Russell Terrier; Kismet, Rat Terrier mix; Cappy, Lab/Shepherd mix and Teddy, Boxer/Mastiff mix. Four of her five dogs came from HHHS. Becky has been training and competing in AKC and USDAA agility with Peanut and Kismet for the past five years. Peanut was listed as one of the Top 5 Russell Terriers in AKC agility in 2008, 2009 and 2010. Her dogs have been used by various companies in photo shoots, commercials, fliers and more.

Becky looks forward to working with you and your pet.
