# Welcome to the Helping Hands Family

Thank you for your interest in finding ways to assist Helping Hands Humane Society's mission. We strive to better the lives of the area's homeless animals. Not all volunteering needs to happen within the confines of our building. There are many opportunities available to you from your home or work place.

Such opportunities range from foster care to fundraising or donation drives that benefit the shelter and our pets. Projects or donation drives could consist of anything from bake sales and garage sales to pet toy creation parties. The possibilities are endless, so be creative!

There are also many simple tasks that can be done from home which help our pets significantly. Participating in TheAnimalRescueSite.com's Shelter Challenge and networking our adoptable pets on Facebook and Twitter are easy to do for even the busiest of people. Keep an eye out for new opportunities on our Volunteer from Home web page on the Helping Hands Humane Society website.

Again, thank you for your willingness to donate your time and energy. Your efforts are appreciated by everyone at Helping Hands Humane Society, especially the pets that you will be helping. Your generosity and love of animals is applauded!

## Using Your Home Computer to Help Our Homeless Pets

It is easy to volunteer online by using a computer from home or at the office. Your actions, some of which may be as easy as a few mouse clicks, can help save lives.

Throughout the year TheAnimalRescueSite.com runs several "Shelter Challenge" competitions in which people get to vote for their favorite animal shelter daily.

There are also other contests available through TheAnimalRescueSite.com like pet photo contests or writing pet stories to win money for your favorite shelter. Thanks to our dedicated mouse clickers we have

been awarded \$4,000 in previous competitions and hope to be awarded more to help our animals. To see the latest challenge information and to vote visit: <http://www.theanimalrescuesite.com/clickToGive/shelterchallenge>

Using social media is another way people can help find homes for our pets. Many pets find homes thanks to the efforts of people like you posting the profiles of our adoptable pets to their Facebook pages and blogs. Pets like Barry, Bandit, and Bubba found their forever homes thanks to people sharing their profiles on Facebook!
