

Each year, hundreds of our friends gather for a fun evening celebrating the human-animal bond. This year's celebration will be especially fun because we are celebrating our 80th anniversary as a local nonprofit organization. Since 2001, Bone Appétit has been our most significant annual event. The funds we raise at this event allows us to care for 6,000+ homeless pets each year. I have enclosed information about sponsorship opportunities. I hope that the homeless, abused, neglected, and lost pets can count on your support this year.

When you sponsor events like this, you are sending a message to Northeast Kansas that you care about animal welfare. Our sponsorship opportunities are designed to boost your marketing reach and gain positive publicity for you. Your support through a sponsorship will help provide shelter, spay and neuter operations, vaccinations, lifesaving emergency veterinary care, and so much more.

Please review the information enclosed and let me know if you have any questions. On behalf of the pets in our shelter, thank you for your consideration and your time.

Sincerely,

Justin L. Brokar
Event Coordinator

Bone Appétit Overview

Since 2001, Bone Appétit has been our annual celebration of the human-animal bond. This evening gala features delicious food prepared by the Three Fires Steakhouse, entertainment from the hilarious Devin Henderson, a silent auction with at least 50 items, a live auction, and much more!

For the first time ever, we are taking this event to the Prairie Band Casino & Resort. Special room rates will be available for event guests wishing to stay at the resort hotel. We are excited to share with you that Dr. Kevin and Mrs. Lisa Hahn will serve as this year's Honorary Chairs of this event.

Sponsorship Benefits

Our goal is to give you extraordinary benefits for your generous contribution to helping save homeless pets. As one of the most visible charities in Northeast Kansas, we've designed our sponsorship packages to boost your marketing power and reach more potential clients/customers. In-kind sponsorships and payment plans can be discussed by calling Justin Brokar at (785) 233-7325.

Where does the money go?

Our goal is to raise \$100,000.00 to provide lifesaving veterinary care and shelter for the 6,000+ pets that are admitted to Helping Hands Humane Society each year. We do our best to keep expenses at a minimum so more of your donation goes directly to the animals. This year's focus will be on our 2020 Vision which aims to save more animals, expand our services, and strengthen our outreach and education programs. We can guarantee that 75¢ of every \$1 donated goes directly to the shelter pets.
