

Help Homeless Pets with a Bone Appétit Auction Donation

Helping Hands Humane Society (HHHS)

We are a non-profit organization that relies on public donations to operate our facility and lifesaving programs. HHHS admits any animal that seeks refuge at our door and will not turn an animal in need away. We serve as a resource center for our community through our lost and found, adoptions, training classes, pet food pantry, animal welfare education, community visits, foster and volunteer programs, and more. Throughout the year, we hold fundraisers like Bone Appétit to assist in the costs of fulfilling our mission.

Bone Appétit

Bone Appétit is an annual fundraiser that raises money to operate HHHS and care for the over 6,000 animals admitted each year. The event involves a dinner, entertainment, and live, silent, and wine auctions. Adoptable pets from HHHS will be at the event to greet you and allow you to meet, up close, just a few of the lives touched by our organization. Bone Appétit 2019 will be held October 12th at Prairie Band Casino and Resort. The event is generally attended by 350+ people.

Funds from Bone Appétit go directly toward the operating costs of the shelter. They will not only help to operate the shelter but also help cover the costs of vaccinations and medical care for homeless companion animals. We invite our neighbors and friends in the community to consider a donation to our Bone Appétit auctions. Your participation will ensure the success of the event and ultimately assist the homeless animals in our community. We appreciate your continued support!
