

## Happy Holidays!

Happy Holidays from Helping Hands Humane Society! We are so grateful that you choose to volunteer with us and wish everyone and a happy new year!

## www.hhhstopeka.org

We have recently made some changes to our HHHS website, specifically in the volunteering section. We decided that we wanted to make a homepage for current volunteers to be able to access recent updates, training materials, and Vic Net. It

also has a place to update your information and to submit digital concern forms. This is all now located under the

Volunteering Homepage tab. It is a password-protected area to keep solely for volunteer use. The password to get in is Volunteer2021, and then you will be able to access all materials relating to volunteering.

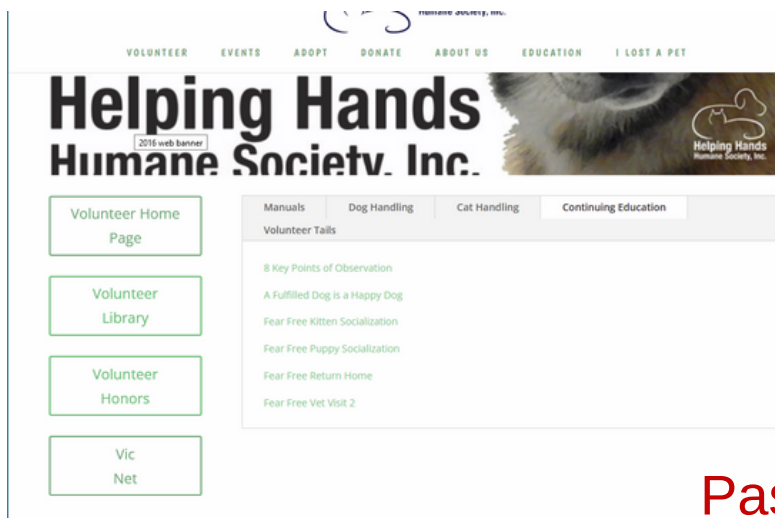

## Upcoming Events

## HHHS Staff

Emi Griess:  
Communications Coordinator

Hi, volunteers! If you haven't met me yet, I am the Communications Coordinator for HHHS. In a nutshell, it is my job to communicate to our community all of the wonderful things we do for animals and how they can help. Individual stories can be a very powerful tool to engage our audience and get them invested in our mission, so please send me pictures, videos, and stories you have about the animals you work with as a volunteer. I will try to incorporate as many as I can in our social media posts, newsletters, and videos for events throughout the year.

*Thank you!*
