

# Be Kind to Animals Week

Be Kind to Animals Week, which was established 109 years ago in 1915, occurs during the first full week of May (May 5th-11th in 2024). We at Helping Hands Humane Society recognize and celebrate this commitment to protecting and improving the lives of animals throughout the month of May and welcome you to join us with your donation and special message of love for animals. Make a donation of \$25 or more and your message will be posted to our Be Kind to Animals webpage and shared on our Facebook page. The message can be in honor or in memory of a beloved pet, the reason you support Be Kind to Animals Week and HHHS, or simply your name. Donations are crucial to the work we do here; our community's support allows us to continue providing emergency medical care to animals in need, low-cost vaccines plus spay and neuter services to those pet parents who cannot afford traditional costs, care to homeless animals awaiting new families, and more. Include your message below and return the form and donation to HHHS to aid in our mission. Thank you!
