

Help Homeless Pets with a Bone Appétit Auction Donation

Helping Hands Humane Society (HHHS)

We are a non-profit organization that relies on donations from our community and supporters to operate our facility and lifesaving programs. HHHS admits around 6,000 animals in need of sanctuary each year! We serve as a resource center for our community through our lost and found, adoptions, low-cost spay-neuter and vaccine services, obedience training classes, pet food pantry, animal welfare education, community visits, foster and volunteer programs, and so so much more. Throughout the year, we hold fundraisers like Bone Appétit to assist in the costs of fulfilling our mission.

Bone Appétit

Bone Appétit is an annual fundraiser that raises money to operate HHHS and care for the homeless pets that need our help. This gala is an opportunity to showcase businesses in our silent and live auction, enjoy a nice meal and network, learn about the year we have had during the State of the Shelter, as well as feature adoptable animals from HHHS. The event is generally attended by 350+ people!

In 2023 and 2024, it SOLD OUT!

Funds from Bone Appétit go directly toward the operating costs of the shelter, and help cover the costs of vaccinations and medical care for homeless companion animals. We invite our neighbors and friends in the community to consider a donation to our Bone Appétit auctions. Your participation will ensure the success of the event and ultimately assist the homeless animals in our community. We appreciate your continued support!

Before

Jimin came to us just over a month old, his tiny body swollen and scabbed from what we believe was a severe case of puppy strangles. His face was so inflamed he could hardly see, with discharge crusting his eyes and ears, fur missing in painful patches, and hematomas in both ears. It was heartbreaking to witness—but thanks to constant care from our veterinary team, **Jimin healed.**

After a month of treatment, he was finally cleared and placed on the adoption floor—where he was adopted the very next day.

Your donations make recoveries like Jimin's **possible.**
