

Greetings! Spring time is always a challenging time for shelters - litters start being born, mosquitoes coming out mean a rise in heartworms, and people getting out and about tends to lead to more stray animals.

We'd love to have you financially support our life-saving work by sponsoring our spring fundraiser, Paws in the Park, a pet-friendly bazaar: featuring food trucks, pet activities, festival games, craft and vendor booths and so much more! This year we are aiming to have the event be an indoor \*CARNIVAL\*!

We aim to raise at least \$25,000 at this event to help us care for our pets and we need YOUR help to do it!

If you've been to this event before, you know what a wonderful time it is - socializing dogs, seeing a variety of breeds, and celebrating our community's love of animals and friendship.

For questions about this sponsorship package, please e-mail me or call me at [grace.clinton@hhhstopeka.org](mailto:grace.clinton@hhhstopeka.org) or 785-233-7325 ext 106.

On behalf of all the pets,

Grace Clinton

*Your sponsorship gift helps us give second chances to pets like Bender, the spokespet for the year! Bender came to us with severe neurological damage and now "fancy dances" when he walks. He was adopted by HHHS Board Member, Jay Newbery, and is a wonderful ambassador to the lifesaving work we can do when we all work together!*
